**RE: Energy & Metals ETH & Back Month Globex Volume Incentive Program for High Volume Contributors.
NYMEX/COMEX Submission No. 11-403**

Dear Mr. Stawick:

New York Mercantile Exchange, Inc. ("NYMEX") and the Commodity Exchange, Inc ("COMEX") (NYMEX and COMEX collectively the "Exchanges") hereby notify the Commodity Futures Trading Commission ("Commission") that they plan to implement an Energy & Metals ETH & Back Month Globex Volume Incentive Program for High Volume Contributors ("Program"). This Program will become effective on November 18, 2011.

Exhibit 1 sets forth the terms of this Program.

The Exchanges' business staff responsible for the Program and the Exchanges' legal department collectively reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodities Exchange Act ("CEA"). During the review, Exchanges' staff identified the following Core Principles as potentially being impacted; Prevention of Market Disruption, Execution of Transactions, Protection of Market Participants, Compliance with Rules and Recordkeeping.

The proposed Program will not impact the Exchanges' ability to perform their trade practice and market surveillance obligations under the CEA and the Exchanges' market regulation staff will continue to monitor all market participants that trade the Program's products to prevent manipulative trading and market abuse. Additionally, the Exchanges have implemented systems to track Program participants' volume to ensure proper distribution of earned incentives. The tiered incentives in the proposed Program do not impact the Exchanges' order execution. Participants in the Program will be selected by NYMEX/COMEX staff using criteria as further stated in Exhibit 1. Chapter 4 of the NYMEX rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with NYMEX in which each participant will expressly agree to comply with and be subject to, applicable regulations and NYMEX rules. The proposed Program will be subject to the Exchanges' record retention policies which comply with the CEA.

NYMEX and COMEX certify that the Program complies with the Commodity Exchange Act and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchanges certify that this submission has been concurrently posted on the Exchanges' website at <http://www.cmegroup.com/market-regulation/rule-filings.html>
