Re: Rule Certification. New York Mercantile Exchange, Inc. and Commodity Exchange, Inc. Submission# 09-273: Notification Regarding the Amendments of Product Rule Titles, Corresponding Amendments to NYMEX Chapter 5, Position Limit, Position Accountability and Reportable Level Table and Renumbering of Chapter 965

Dear Mr. Stawick:

The New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") and the Commodity Exchange, Inc. ("COMEX" or "Exchange") (collectively, "the Exchanges") are notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that they are self-certifying a number of administrative amendments to NYMEX and COMEX product rule titles. The amendments are intended to correct and/or apply uniform use of terminology and references in the product titles. The amendments are administrative in nature. The proposed amendments to the product titles are reflected in blackline in the attached Appendix A. The proposed amendments will also be implemented and apply to the contract titles listed in NYMEX Chapter 5, Position Limit, Position Accountability and Reportable Level Table and to any references to the title of a contract within a product rule.

NYMEX is also notifying the CFTC that it is self-certifying the renumbering of Chapter 965 to 963. Rule number 963 is currently not in use.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchanges hereby certify that the amendments to the rule chapters attached, the application of these amendments to the product rule titles listed in NYMEX Chapter 5, Position Limit, Position Accountability and Reportable Level Table, and the renumbering of Chapter 965 comply with the Act, including regulations under the Act. The new rule titles and renumbering will become effective on trade date November 12, 2009.

Should you have any questions concerning the above, please contact Nadine Brown at (212) 299-2223, or me at (312) 648-5422.

Sincerely,

/s/ Stephen M. Szarmack
Director and Associate General Counsel
