**RE: Latin America Bank Incentive Program
CME/CBOT/NYMEX/COMEX Submission No. 11-428**

Dear Mr. Stawick:

Chicago Mercantile Exchange Inc ("CME"), the Board of Trade of the City of Chicago, Inc ("CBOT"), the New York Mercantile Exchange, Inc ("NYMEX"), and the Commodity Exchange, Inc ("COMEX") (CME, CBOT, NYMEX, and COMEX collectively the "Exchanges") hereby notifies the Commodity Futures Trading Commission ("Commission") of the implementation of an Incentive Program for banks in the Latin America region ("LABIP" or "Program"). The proposed Program will become effective on December 4, 2011.

Exhibit 1 sets forth the terms of the proposed Program.

The Exchanges' business staff responsible for the Program and the Exchanges' legal department collectively reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodities Exchange Act ("CEA"). During the review, the Exchanges' staff identified the following Core Principles as potentially being impacted; Prevention of Market Disruption, Execution of Transactions, Protection of Market Participants and Compliance with Rules and Record Keeping.

The proposed Program's incentive structure does not incentivize manipulative trading or market abuse and does not impact the Exchanges' ability to perform its trade practice and market surveillance obligations under the CEA. The Exchanges' market regulation staff will nevertheless continue to monitor all market participants that trade under the Program to prevent manipulative trading and market abuse. The incentives in the proposed Program do not impact the Exchanges' order execution. Participants in the Program will be selected by the Exchanges' staff using criteria as further stated in Exhibit 1. Chapter 4 of the Exchanges' rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. The proposed Program is subject to these rules. The proposed Program will be subject to the Exchanges' record retention policies which comply with the CEA.

CME, CBOT, NYMEX, and COMEX certify that the Program complies with the Commodity Exchange Act and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchanges certify that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>
