**RE: Extension of CME Commodity Trading Advisors/Hedge Fund Incentive Program
CME Submission No. 13-428**

Dear Ms. Jurgens:

Chicago Mercantile Exchange Inc. ("CME" or "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC" or "Commission") of plans to extend an existing incentive program for commodity trading advisors ("CTAs") and hedge funds in support of certain Foreign Exchange ("FX") products traded on the CME Globex® Platform ("Program") through December 31, 2014. The Program was set to expire on December 31, 2013. The extension will become effective on January 2, 2014. All other program terms remain unchanged.

Exhibit 1 sets forth the terms of the Program. The modifications appear below with additions underscored and deletions ~~overstruck~~.

CME reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, CME staff identified the following Core Principles as potentially being impacted; Prevention of Market Disruption, Execution of Transactions, Protection of Market Participants, Compliance with Rules, and Record Keeping.

The Program does not incentivize manipulative trading or market abuse and does not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA. The Exchange's market regulation staff will monitor trading in the Program's products to prevent manipulative trading and market abuse. The Program does not impact the Exchange's order execution. Participants in the Program will be selected by the Exchange's staff using criteria as further stated in Exhibit 1. Chapter 4 of the Exchange rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. The Program is subject to these rules. The Program is subject to the Exchange's record retention policies which comply with the CEA.

CME certifies that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
