RE: Modifications to the CME Forestry Futures Regular Trading Hours Market Making Program on Globex®. CME Submission No. 12-425

Dear Ms. Warfield:

Chicago Mercantile Exchange Inc. ("CME" or the "Exchange") hereby notifies the Commodity Futures Trading Commission ("Commission") that it plans to renew the Forestry Futures Regular Trading Hours Market Making Program on Globex ("Program"). The proposed modifications to the Program will become effective on January 2, 2013.

Exhibit 1 sets forth the terms of this Program. The modifications appear below, with additions underscored and deletions ~~overstruck~~.

CME business staff responsible for the Program and the CME legal department collectively reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodities Exchange Act ("CEA"). During the review, CME staff identified the following Core Principles as potentially being impacted; Prevention of Market Disruption, Execution of Transactions, Protection of Market Participants, Compliance with Rules and Recordkeeping.

The Program and proposed modifications will not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA and the Exchange's market regulation staff will continue to monitor trading in the Program's products to prevent manipulative trading and market abuse. Additionally, the Exchange has implemented systems to track Program participants' obligations to ensure proper distribution of earned incentives. The incentives in the Program do not impact the Exchange's order execution. Participants in the Program will be selected by Exchange staff using criteria as further stated in Exhibit 1. Chapter 4 of the CME rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with the Exchange in which each participant will expressly agree to comply with and be subject to, applicable regulations and CME rules. The Program is subject to the Exchange's record retention policies which comply with the CEA.

CME certifies that the Program and the modifications to the Program comply with the CEA and the regulations thereunder. There were no substantive opposing views to this Program or the proposed modifications.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>
