Re: CBOE Futures Exchange, LLC Rule Certification  
Submission Number CFE-2010-11

Dear Mr. Stawick:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended ("Act"), and §40.6(a) of the regulations promulgated by the Commodity Futures Trading Commission under the Act, CBOE Futures Exchange, LLC ("CFE" or "Exchange") hereby submits an amendment ("Amendment") to CFE Policy and Procedure VI, which sets forth CFE's Trading Privilege Holder Permit Program ("Program"). The Amendment extends the Program for an additional year so that all trading permits issued under the Program will now expire on December 31, 2011. As was the case previously, CFE may subsequently determine to further extend the Program or allow the permits issued under the Program to expire and replace the Program with a different permit program. The Amendment will become effective on December 10, 2010.

CFE is not aware of any substantive opposing views to the Amendment. CFE hereby certifies that the Amendment complies with the Act and the regulations thereunder.

The Amendment, marked to show additions in underlined text and deletions in [bracketed] text, consists of the following:

\* \* \* \* \*

**Policy and Procedure VI. Trading Privilege Holder Permit Program**

Any Person that desires to become a Trading Privilege Holder is required to obtain a Trading Privilege Holder permit ("TPH Permit").

Initially, the Exchange will make available 2,500 TPH Permits. The Exchange may subsequently make available additional TPH Permits if the initial supply of 2,500 TPH Permits is exhausted.

TPH Permits may be obtained by any Person that is a trading permit holder of CBOE with CBOE trading privileges and any other Person that satisfies the requirements set forth in Rule 304(a).

Each Person desiring to obtain a TPH Permit must submit an application to the Exchange in a form and manner prescribed by the Exchange pursuant to Rule 305 and become approved by the Exchange as a Trading Privilege Holder. Each Trading Privilege Holder may permit one or more individuals to act as its Authorized Traders pursuant to Rule 303.

Any organization that desires to become a Clearing Member of the Exchange is required to become a Trading Privilege Holder and to obtain a TPH Permit. Additionally, in order to be an Exchange Clearing Member, an organization is required to be a member of the Clearing Corporation that is authorized under the rules of the Clearing Corporation to clear trades in Contracts traded on the Exchange.

Each TPH Permit entitles its holder to access the CBOE System through one login code. To the extent that a Trading Privilege Holder desires to use more than one login code, the Trading Privilege Holder must obtain additional TPH Permits from the Exchange.

The Exchange may from time to time determine to limit the amount of CFE bandwidth that may be utilized through each TPH Permit.

TPH Permit holders shall have all of the rights and obligations of Trading Privilege Holders under the Rules of the Exchange except to the extent otherwise provided under this Policy and the Rules of the Exchange.

Any recipient of a TPH Permit as permitted by Rule 302 is required to provide the Exchange with the appropriate application materials and to be approved as a Trading Privilege Holder pursuant to Rule 304 before the recipient will be permitted to act as a Trading Privilege Holder.

A TPH Permit is non-transferable, non-assignable and may not be sold or leased, except that a Trading Privilege Holder may, with the prior written consent of the Exchange, transfer a TPH Permit to a Trading Privilege Holder organization or organization approved to be a Trading Privilege Holder: (i) which is an Affiliate; or (ii) which continues substantially the same business without regard to the form of the transaction used to achieve such continuation, e.g., merger, sale of substantially all assets, reincorporation, reorganization or the like.

All TPH Permits shall expire on December 31, [2010] 2011. The Exchange may determine to extend the term of TPH Permits or allow TPH Permits to expire and replace the TPH Permit program with a different permit program.

All Exchange fees applicable to TPH Permit holders and all other Exchange fees will be as set forth in a separate Exchange fee schedule.
