Re: Rule Certification. New York Mercantile Exchange, Inc. Submission #09-305: Notification of Amendments to NYMEX Chapter 5, Position Limit, Position Accountability and Reportable Level Table

Dear Mr. Stawick:

The New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is self-certifying amendments to NYMEX Chapter 5, Position Limit, Position Accountability and Reportable Level Table. These amendments include the addition of the diminishing balance allocation which was inadvertently omitted. The amendments also delete the inadvertent inclusion of a secondary reporting level for certain petroleum and natural gas contracts.

Pursuant to Section 5c(c) of the Commodity Exchange Act ("Act") and CFTC Rule 40.6, the Exchange hereby certifies that the attached rule amendments comply with the Act, including regulations under the Act. These changes will be made effective on December 11, 2009.

Should you have any questions concerning the above, please contact Anthony V. Densieski, Director, Market Surveillance, at (212) 299-2881, or me at (312) 648-5422.

Sincerely,

/s/ Stephen M. Szarmack
Director and Associate General Counsel
