**RE: Modifications to the CME USD/CNH Market Making Incentive Program on Globex®
CME Submission No. 13-485**

Dear Ms. Jurgens:

Chicago Mercantile Exchange Inc. ("CME" or "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC" or "Commission") that it plans to modify its market making incentive program in support of the U.S. Dollar denominated Chinese Renminbi ("USD/CNH") futures contract on Globex® ("Program"). The modifications to the Program will become effective on January 2, 2014.

Exhibit 1 sets forth the terms of this Program. Modifications to Exhibit 1 are set forth below with additions underscored and deletions ~~overstruck~~.

CME reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, CME staff identified the following Core Principles as potentially being impacted: Prevention of Market Disruption, Execution of Transactions, Protection of Market Participants, Compliance with Rules, and Recordkeeping

The modifications to the Program will not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA. CME Market Regulation Staff will monitor all market participants for any manipulative trading and/or market abuse in the Program's products. Additionally, the Exchange has implemented systems to track Program participants' volume to ensure proper distribution of earned incentives. The Program does not impact the Exchange's order execution. Participants in the Program will be selected by CME staff using criteria as further stated in Exhibit 1. Chapter 4 of the CME rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with CME in which each participant will expressly agree to comply with, and be subject to, applicable regulations and CME rules. Additionally, the Program is subject to the Exchange's record retention policies, which comply fully with the CEA.

CME certifies that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
