**RE: Extension of the CME Individual Member Equity Index Maxi-Mini Incentive Program
CME Submission No. 13-431**

Dear Ms. Jurgens:

Chicago Mercantile Exchange Inc. ("CME" or "Exchange") hereby notifies the Commodity Futures Trading Commission ("CFTC" or "Commission") that it plans to extend the CME Individual Member Equity Index Maxi-Mini Incentive Program ("Program"). The Program was set to expire on December 31, 2013. The extension will become effective on January 2, 2014.

Exhibit 1 sets forth the terms of the Program. Modifications appear below with additions underscored and deletions ~~overstruck~~.

CME reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, CME staff identified the following Core Principles as potentially being impacted; Prevention of Market Disruption, Execution of Transactions, Protection of Market Participants, and Compliance with Rules.

The Program's incentive structure does not incentivize manipulative trading or market abuse and does not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA. The Exchange's market regulation staff will monitor all trading in the Program's products to prevent manipulative trading and market abuse. The trading incentive in the Program does not impact the Exchange's order execution. All individual members that execute trades in the Program's products on Globex® shall be entitled to participate. Chapter 4 of the Exchange rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. The Program is subject to these rules.

CME certifies that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
