**RE: Modifications to the Diverse Trading Non-Member International Commercial Firms Energy Incentive Program  
NYMEX Submission No. 13-440**

Dear Ms. Jurgens:

New York Mercantile Exchange, Inc. (“NYMEX” or “Exchange”) hereby notifies the Commodity Futures Trading Commission (“CFTC” or “Commission”) that it plans to modify the Diverse Trading Non-Member International Commercial Firms Energy Incentive Program (“Program”). The modifications to the Program will become effective on January 2, 2014.

Exhibit 1 sets forth the terms of the Program. The modifications appear below, with additions underscored and deletions ~~overstruck~~.

NYMEX reviewed the designated contract market core principles (“Core Principles”) as set forth in the Commodity Exchange Act (“CEA”). During the review, NYMEX staff identified the following Core Principles as potentially being impacted; Prevention of Market Disruption, Execution of Transactions, Protection of Market Participants, Compliance with Rules, and Recordkeeping.

The Program does not incentivize manipulative trading or market abuse or impact the Exchange’s ability to perform its trade practice and market surveillance obligations under the CEA. The Exchange’s market regulation staff will monitor trading in the Program’s products to prevent manipulative trading and market abuse. Additionally, NYMEX has implemented systems to track Program participants’ volume to ensure proper distribution of earned incentives. The products included in this Program are listed for trading in the open and competitive market. The incentives available under the Program will apply to transactions by participants via any of NYMEX’s execution and/or clearing venues, including the pit and our central limit order book. Additionally, the incentives are equal across all NYMEX execution venues. Therefore, the incentives under this Program protect any price discovery taking place in the centralized market. Participants in the Program will be selected by NYMEX staff using criteria as further stated in Exhibit 1. Chapter 4 of the NYMEX rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with NYMEX in which each participant will expressly agree to comply with and be subject to, applicable regulations and NYMEX rules. The Program is subject to the Exchange’s record retention policies which comply with the CEA.

NYMEX certifies that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program or proposed modifications.

NYMEX certifies that this submission has been concurrently posted on the Exchange’s website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
