**RE: Extension of the Energy & Metals ETH & Back Month Globex Volume Incentive Program for High Volume Contributors NYMEX/COMEX Submission No. 13-411**

Dear Ms. Jurgens:

New York Mercantile Exchange, Inc. ("NYMEX") and Commodity Exchange, Inc. ("COMEX") (collectively, the "Exchanges") hereby notify the Commodity Futures Trading Commission ("CFTC" or "Commission") of plans to extend the Energy & Metals ETH & Back Month Globex Volume Incentive Program for High Volume Contributors ("Program") through June 30, 2014. The Program was set to expire on December 31, 2013. The extension will become effective on January 2, 2014. All other program terms remain unchanged.

Exhibit 1 sets forth the terms of the Program. The modifications appear below with additions underscored and deletions ~~overstruck~~.

The Exchanges reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, Exchange staff identified the following Core Principles as potentially being impacted; Prevention of Market Disruption, Execution of Transactions, Protection of Market Participants, Compliance with Rules, and Recordkeeping.

The extension of the Program will not impact the Exchanges' ability to perform trade practice and market surveillance obligations under the CEA. The Exchanges' market regulation staff will monitor trading in the Program's products to prevent manipulative trading and market abuse. Additionally, the Exchanges have implemented systems to track Program participants' volume to ensure proper distribution of earned incentives. The products included in this Program are listed for trading in the open and competitive market. Therefore, the incentives under this Program protect any price discovery taking place in the centralized market. Participants in the Program will be selected by the Exchanges' staff using criteria as further stated in Exhibit 1. Chapter 4 of the NYMEX/COMEX rules include prohibitions against fraudulent, non-competitive, unfair or abusive practices. All participants must execute a contractual agreement with the Exchanges in which each participant expressly agrees to comply with and be subject to applicable regulations and Exchange rules. The Program is subject to the Exchanges' record retention policies which comply with the CEA.

NYMEX and COMEX certify that the Program and proposed modifications comply with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchanges certify that this submission has been concurrently posted on the Exchanges' website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.
