**RE: CBOT Agricultural Back Month Incentive Program
 CBOT Submission No. 11-493**

Dear Mr. Stawick:

The Board of Trade of the City of Chicago, Inc ("CBOT" or the "Exchange") hereby notifies the Commodity Futures Trading Commission ("Commission") that it plans to implement an incentive program in support of certain CBOT Agricultural futures products traded on the CME Globex® platform ("Program"). The proposed Program will become effective on December 27, 2011.

Exhibit 1 sets forth the terms of the proposed Program.

CBOT business staff responsible for the Program and the CBOT legal department collectively reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodities Exchange Act ("CEA"). During the review, CBOT staff identified the following Core Principles as potentially being impacted; Prevention of Market Disruption, Execution of Transactions, Protection of Market Participants, and Compliance with Rules.

The proposed Program's incentive structure does not incentivize manipulative trading or market abuse and does not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA. The Exchange's market regulation staff will nevertheless continue to monitor all market participants that trade under the Program to prevent manipulative trading and market abuse. The incentives in the proposed Program do not impact the Exchange's order execution. Participants in the Program will be selected by the Exchange's staff using criteria as further stated in Exhibit 1. Chapter 4 of the Exchange's rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. The proposed Program is subject to these rules.

CBOT certifies that the Program complies with the Commodity Exchange Act and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>
