**RE: Dow Jones CME FX\$Index Futures Fee Waiver Program
CME Submission No. 11-494**

Dear Mr. Stawick:

Chicago Mercantile Exchange Inc ("CME" or the "Exchange") hereby notifies the Commodity Futures Trading Commission ("Commission") that it plans to implement a Fee Waiver Program in support of Dow Jones CME FX\$Index futures products traded on the Globex® platform ("Program"). The proposed Program will become effective on January 1, 2011.

Exhibit 1 sets forth the terms of the proposed Program.

CME business staff responsible for the Program and the CME legal department collectively reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodities Exchange Act ("CEA"). During the review, CME staff identified the following Core Principles as potentially being impacted; Prevention of Market Disruption, Execution of Transactions, Protection of Market Participants and Compliance with Rules.

The proposed Program is a general fee waiver that applies to all market participants and thus does not incentivize manipulative trading or market abuse and does not impact the Exchange's ability to perform its trade practice and market surveillance obligations under the CEA. The Exchange's market regulation staff will nevertheless continue to monitor all market participants that trade the Program's products to prevent manipulative trading and market abuse. The general fee waiver in the proposed Program does not impact the Exchange's order execution. All market participants that execute trades in Dow Jones CME FX\$INDEX futures traded on Globex® shall be entitled to participate. Chapter 4 of the Exchange rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. The proposed Program is subject to these rules.

CME certifies that the Program complies with the Commodity Exchange Act and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>
