**Re: CFTC Regulation 40.6(a) Certification. Corrections to Non-Reviewable Trading Ranges Table at Rule 588.H
NYMEX Submission No. 13-577**

Dear Ms. Jurgens:

The New York Mercantile Exchange, Inc. ("NYMEX" or "Exchange") is notifying the Commodity Futures Trading Commission ("CFTC" or "Commission") that it is self-certifying corrections to the non-reviewable trading ranges table at NYMEX Rule 588.H for five (5) instruments. These changes will become effective on December 31, 2013.

NYMEX Submission No. 13-077, dated March 8, 2013, self-certified the addition of three-hundred fifty (350) existing NYMEX contracts to the Globex trading platform and the insertion of non-reviewable trading ranges ("NRR") for the instruments into the NRR table at NYMEX Rule 588.H. A recent review of the table indicated that one instrument certified in Submission No. 13-077 was erroneously omitted from the NRR table and that incorrect information was listed for four other instruments. Exhibit 1 sets forth the rule amendments by which NYMEX seeks to correct these errors.

Exchange business staff responsible for the delisting of the contracts and the Exchange Legal Department collectively reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA" or "Act"). During the review, Exchange staff identified that the proposed corrections may have some bearing on the following Core Principles:

- **Availability of General Information:** The NYMEX rulebook, which will include the proposed modifications to NYMEX Rule 588.H, is publicly available on the CME Group website.

Pursuant to Section 5c(c) of the Act and CFTC Regulation 40.6(a), the Exchange hereby certifies that the amendments to NYMEX rules comply with the Act, including regulations under the Act. There were no substantive opposing views to this proposal.

The Exchange certifies that this submission has been concurrently posted on the Exchange's website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

Should you have any questions concerning the above, please contact the undersigned at (212) 299-2200 or Christopher.Bowen@cmegroup.com.

Sincerely,

/s/Christopher Bowen
