RE: Modifications to CME/CBOT Interest Rate Options Give Up Incentive Program. CME/CBOT Submission No. 12-463

Dear Ms. Warfield:

Chicago Mercantile Exchange Inc. ("CME") and the Board of Trade of the City of Chicago, Inc. ("CBOT") (CME and CBOT collectively the "Exchanges") hereby notify the Commodity Futures Trading Commission ("Commission") that they plan to extend Interest Rate Options Give Up Incentive Program ("Program"). The proposed modifications to the Program will become effective on January 2, 2013.

Exhibit 1 sets forth the terms of this Program. Modifications appear below with additions underscored and deletions ~~overstruck~~.

The Exchanges' business staff responsible for the Program and the CME/CBOT legal department collectively reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodities Exchange Act ("CEA"). During the review, CME/CBOT staff identified the following Core Principles as potentially being impacted; Prevention of Market Disruption, Monitoring of Trading, Execution of Transactions, Protection of Market Participants and Compliance with Rules.

The Program does not impact the Exchanges' ability to perform its trade practice and market surveillance obligations under the CEA and the Exchanges' have implemented systems to track Program participants' volume to ensure proper distribution of earned incentives. The tiered incentives in the Program do not impact the Exchanges' order execution. Participants in the program will be selected by Exchanges' staff using criteria as further stated in Exhibit 1. Chapter 4 of the Exchanges rules includes prohibitions against fraudulent, non-competitive, unfair or abusive practices. The Program is subject to these rules.

CME and CBOT certify that the Program complies with the CEA and the regulations thereunder. There were no substantive opposing views to this Program.

The Exchanges certify that this submission has been concurrently posted on the Exchanges' website at <http://www.cmegroup.com/market-regulation/rule-filings.html>
