Enclosure: Rule Amendment

RULE AMENDMENT

906. Listing Standards

(b) *Maintenance standards for a security futures product based on a single security.*

- (1) The Exchange will not open for trading any security futures product that is physically settled with a new delivery month, and may prohibit any opening purchase transactions in the security futures product already trading, to the extent it deems such action necessary or appropriate, unless the underlying security either (a) is eligible under the maintenance standards for options traded on a national securities exchange or (b) meets each of the following maintenance requirements; provided that, if the underlying security is an ETF Share, TIR or Closed-End Fund Share, the applicable requirements for initial listing of the related security futures product (as described in 906(a) above) shall apply in lieu of the following maintenance requirements:

(A) – (F) [No change.]
