A SwapClear Clearing Member shall be bound by all entries, deletions and modifications which are made under this Service by the relevant SwapClear Dealer or which are purported to have been made by the relevant SwapClear Dealer.~~
- ~~(c) A SwapClear Dealer shall have no obligation to inform, notify or seek the consent of any SwapClear Clearing Member prior to initiating the termination of a SwapClear Contract by means of the Service or making any entries, deletions or modifications when using the Service.~~
- ~~(d) Each SwapClear Clearing Member is deemed to grant a continuing authority to the Clearing House to terminate any SwapClear Contract registered in the name of that SwapClear Clearing Member upon the request of a SwapClear Dealer with whom that SwapClear Clearing Member is a party to an SDC Agreement and make all other entries, deletions and modifications as may be required to give effect to such termination.~~

- ~~(h) The date and time of termination of a SwapClear Contract shall be as reported by the Clearing House by means of the Service and shall be binding on all parties.~~

2C.11 POSITION TRANSFERS

The SwapClear Clearing System provides functionality for transfer of positions between SCMs. Other than transfers conducted pursuant to Regulation 52C and Procedure 2C.15.5, an SCM who wishes to effect a position transfer to another SCM should contact the Clearing House Risk Management Department.

SwapClear Dealers who wish to change their SCM will be required to execute a new SwapClear Dealer Clearing Agreement with their intended new SCM. The Clearing House will, if all parties are in agreement, effect a transfer of positions from one SCM to the other.

Other than in respect of a transfer to a Backup SwapClear Clearing Member following a default of their existing SwapClear Clearing Member, transfers will only be effected once adequate Collateral (which, in the case of transfers conducted pursuant to Regulation 52C(b), may include the Associated Collateral Balance) has been provided by both parties to the transfer.

2C.11.1 Legal Documentation

The Clearing House will provide standard legal documentation for the transfer of positions. The transfer must be authorised by both parties and by individuals with appropriate signing authority.

2C.11.2 Position Transfer Notice Period

The Clearing House will usually require five business days notice ahead of an intended transfer.

2C.12 ~~TERMINATION BY AUTOMATED SERVICE~~ [RESERVED]

~~Termination by automated service is no longer available. SwapClear Contracts may be declared from SwapClear in line with section 2C.10. In the event that an SCM wishes to remove a SwapClear Contract submitted through the SWIFT trade source it should complete a Cleared Trade Removal Agreement as set out in Appendix 2C.M and a corresponding Cleared Trade Removal Agreement should also be submitted to the Clearing House by the Counterparty SCM (as defined in the Agreement).~~

2C.13 AMENDMENT OF TRADE REFERENCES

Sometimes SwapClear Clearing Members wish to change their own trade references numbers/codes by which they identify trades registered in the SwapClear Service. Subject to that SwapClear Clearing Member meeting all the Clearing House's requirements and these Procedures, the Clearing House will, as part of its service to SwapClear Clearing Members, amend its records in order to reflect this change. Such change has no effect whatsoever on the terms of any registered SwapClear contract or any other obligations of the SCMs party to those contracts.

2C.14 TRADE REFERENCE AMENDMENT REQUEST FORM

The Clearing House requires a completed Trade Amendment Request Form (in the form prescribed by the Clearing House) to be submitted by any SwapClear Clearing Member wishing to amend a trade reference. The form must be signed by two persons from within the SwapClear Clearing Member with appropriate signing authority and must set out the required full details of each registered trade in respect of which the SwapClear Clearing Member wishes to change its trade reference. Evidence of such signing

2A.10 Declearing and Compression

Pursuant to FCM Regulation 30(n), an FCM Clearing Member may compress existing FCM SwapClear Contracts in accordance with that FCM Regulation. There are two options available to an FCM Clearing Member that wishes to compress existing FCM SwapClear Contracts:

- (a) An FCM Clearing Member can request that all FCM SwapClear Contracts entered into (i) on behalf of a designated FCM Client, (ii) on behalf of a designated Affiliate or (iii) on such FCM Clearing Member's own behalf be considered for compression by the Clearing House. Such a request shall be reconsidered by the Clearing House automatically each day (and the results notified to the FCM Clearing Member by 19:00 hours, New York City time, on each applicable day) until the FCM Clearing Member notifies the Clearing House to discontinue such compression of FCM SwapClear Contracts. FCM Clearing Members should contact the Clearing House's Membership Department to request such a compression of FCM SwapClear Contracts.
- (b) An FCM Clearing Member may notify the Clearing House directly through the SwapClear API, specifying which FCM SwapClear Contracts should be compressed. The FCM Clearing Member will be notified by 19:00 hours, New York City time, on the applicable day whether compression has occurred and the Clearing House will not automatically reconsider such compression request on subsequent days regardless of whether compression has occurred.

In order to declear/compress an FCM SwapClear Contract, an FCM Clearing Member must register with an FCM Approved Trade Source System an offsetting FCM SwapClear Contract and shall then follow the process for compression as set out above.

The Clearing House shall process the compression of all FCM SwapClear Contracts as notified to it prior to 18:00 hours, New York City time, shortly after 18:00 hours, New York City time, and shall notify the applicable FCM Clearing Member by 19:00 hours, New York City time, of the result of such compression procedure. A notification received after 18:00 hours, New York City time, shall be treated as if such notification was submitted on the following day prior to 18:00 hours, New York City time, and as such shall be considered shortly after 18:00 hours, New York City time, on such following day and the results notified to the applicable FCM Clearing Member by 19:00 hours, New York City time, on such following day.

Following the compression process described above and as further set out in FCM Regulation 30(n), the applicable FCM Clearing Member shall promptly notify the Clearing House if it believes that any errors have occurred in the compression process or if its books and records do not reconcile with those of the Clearing House in respect of the compressed FCM SwapClear Contracts as notified to the FCM Clearing Member by the Clearing House.

2A.11 Affiliate Clearing

Under FCM Regulation 5, FCM Clearing Members are permitted to clear for Affiliates through their Proprietary accounts.
