RE: Notice of Listing under Self Certification of Credit Default Swaps (“CDS”) on
MARKIT ITRAXX EUROPE CROSSOVER¹ Index (“iTraxx Europe Crossover”)
Cleared at ICE Clear Europe (“ICE”)

Dear Ms. Jurgens:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended, and Commodity Futures Trading Commission (“Commission”) Regulation 40.2, ELX Futures, L.P. (“ELX”) hereby notifies the Commission of ELX’s certification that ELX will list for trading its Credit Default Swaps (“CDS”) on iTraxx Europe Crossover Index (“iTraxx Europe Crossover”) Cleared at ICE Clear Europe (“ICE”).

ELX intends to list the iTraxx Europe Crossover for trading on May 21, 2014.

The terms and conditions of the iTraxx Europe Crossover are consistent with the swaps accepted for clearing by ICE. The new contracts are being introduced to expand on the existing product list at ELX and to provide an opportunity for its customers to trade credit default swaps on a designated contract market (“DCM”).

The new contracts follow commonly accepted terms in the existing market with respect to contract size and listing cycle. All iTraxx Europe Crossover have a minimum notional quote size of at least €1,000,000 and may be priced in increments of €1. The iTraxx

¹ Trademark rights in “MARKIT ITRAXX EUROPE CROSSOVER” have been duly licensed from Market North America, Inc./ Market Indices Limited.

Europe Crossover are cleared by ICE, will be listed on the ELX electronic trading system and will be available for trading from 8:00AM London Time to 6:00PM London Time (Monday to Friday). Trading hours are adjusted from time to time to accommodate holiday schedules.

The terms and conditions for the new contracts are contained in new rules IX-1800 and include provisions for position accountability that apply on the basis of volumetric levels. The new rule language including the terms and conditions are provided in this submission as Appendix A.

Explanation and analysis of the Contracts' Compliance with Applicable Core Principles and Commission Regulations. ELX has reviewed the designated contract market core principles as set forth in the Commodity Exchange Act and has determined that listing of iTraxx Europe Crossover complies with relevant provisions including, but not limited to the following:

- Prevention of Market Disruption, Compliance with Rules and Protection of Market Participants: Trading in the iTraxx Europe Crossover will be subject to all ELX Rules including ELX Rule Chapter IV Trading Standards, Chapter V Obligations of Exchange Users, and Chapter VI Business Conduct. These chapters include necessary rules and procedures to ensure the effectiveness of ELX's audit trail and compliance programs and prohibitions on market manipulation, disruptions, fraudulent acts and other abuse and disruptive practices. Activity in the iTraxx Europe Crossover will be subject to extensive monitoring and surveillance. The Compliance Department has the authority to exercise investigatory and enforcement power in the event that potential rule violations are identified.
- Contracts not Readily Subject to Manipulation: The iTraxx Europe Crossover are not readily subject to manipulation due to the liquidity and robustness in the underlying markets and the ready arbitrage of such instruments.
- Availability of General Information and Daily Publication of Trading Information: ELX publishes information on the contract's specification on its website, and will provide daily trading volume and price information.
- Financial Integrity of Contracts: iTraxx Europe Crossover will be cleared by ICE which is a registered derivatives clearing organization with the Commission and is subject to all Commission regulations related thereto.
- Execution of Transactions: The iTraxx Europe Crossover will be listed for electronic trading on ELX, a registered DCM.
- Trade Information: All required trade information is included in the audit trail and is sufficient for the Compliance Department to monitor for rule violations.
- Disciplinary Procedures: Chapter VII of the ELX rulebook contains provisions that allow ELX to discipline, suspend or expel members or market participants that violate the rules. Trading in the iTraxx Europe Crossover will be subject to the rules in Chapter VII which give ELX the authority to enforce its rules.
- Dispute Resolution: Disputes with respect to trading in this contract will be subject to the arbitration provisions set forth in Chapter VIII of the ELX rulebook.

ELX Futures has received no opposing views regarding introduction of the iTraxx Europe Crossover.

ELX hereby certifies to the CFTC, that the iTraxx Europe Crossover comply with the Commodity Exchange Act, as amended, and the regulations promulgated thereunder and that a notice of the filing of this submission and a public copy of this submission has been posted on ELX's website.

Finally, please note that ELX made a submission under Commission Rule 38.8 with its first certification of a swap contract on September 30, 2013.

If you have any questions on this matter, please call me at (212) 829-5241.

Sincerely,

Manavinder S. Bains
Counsel & Chief Regulatory Officer
