**RE: Implementation of the Agency Broker Cross (ABC) Fee Type
NYMEX/COMEX Submission No. 14-163**

Dear Ms. Jurgens:

New York Mercantile Exchange, Inc. ("NYMEX") and Commodity Exchange, Inc. ("COMEX") (collectively, "Exchanges") hereby notify the Commodity Futures Trading Commission ("CFTC" or "Commission") of plans to implement a new fee schedule that supports the CME Direct Agency Broker Cross ("ABC") transaction type. The proposed fee schedule will become effective on June 9, 2014.

Exhibit 1 sets forth the proposed fee schedule that will be applicable to the CME Direct Agency Broker Cross transaction type.

The Exchanges reviewed the designated contract market core principles ("Core Principles") as set forth in the Commodity Exchange Act ("CEA"). During the review, Exchange staff identified the following Core Principles as potentially being impacted:

Availability of General Information: As required by this Core Principle, the Exchanges will publish the new ABC fee schedule on the CME Group website to ensure that market participants have been advised of the fees for these contracts. The Exchanges are unaware of any opposing views to this proposal.

Daily Publication of Trading Information: Trading volume, open interest, and settlement price information for all listed contracts will continue to be published daily on the CME Group website.

Protection of Market Participants: The proposed fees are publicly disclosed and generally applicable to all market participants and clearing members.

Recordkeeping: Trade information for all contracts will continue to be collected and maintained in the same way as for other contracts.

Financial Resources: The proposed fee type will not impact CME's ability to discharge its financial, operational, or managerial responsibilities as a DCM.

The Exchanges certify that the proposed fee type complies with the CEA and the regulations thereunder. There were no substantive opposing views to this proposal.

The Exchanges certify that this submission has been concurrently posted on the Exchanges' website at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

If you require any additional information regarding this submission, please contact Tim Elliott at 312-466-7478 or via e-mail at tim.elliott@cmegroup.com, or contact me at 212-299-2200. Please reference our NYMEX/COMEX Submission No. 14-163 in any related correspondence.

Sincerely,

/s/ Christopher Bowen
Managing Director and Chief Regulatory Counsel
